### **REMINDER: MPA NEW FRAMEWORK TO ENCOURAGE SINGAPOREANS TO SERVE ON PORT LIMIT VESSELS**

On 8 February 2010, the SSA had issued a circular entitled MPA New Framework to Encourage Singaporeans to Serve on Port Limit Vessels [Ref: **SSA/024/10/EML**] to seek feedback from all SSA members on the new framework proposed by MPA.

A copy of the circular can be found on the SSA's website at the link below:  
<http://www.ssa.org.sg/library/SSA0403001/SSA%20Circular/2010/024eml10.pdf>

However, to date, the Secretariat has only received feedback from four members.

In light of the potential impact that the new framework might have on the Singapore's harbor craft sector, it would be very much appreciated if you could provide your feedback to the Secretariat **by completing the reply form attached**.

Please note that all feedback should reach the Secretariat by **Friday, 26 February 2010** through email: [ssa.admin@ssa.org.sg](mailto:ssa.admin@ssa.org.sg) or fax: 6222 5527.

The feedback received will then be forwarded to the MPA for their consideration.

Best regards,

Dhini Purnamasari  
Executive Officer
