### **SECURITY SERVICES VENDORS OR BROKERS**

It has come to my knowledge that one ship security services vendor or broker has used my name or SSA's name to promote or market their services to the shipping community.

I wish to inform you that it is neither mine nor SSA's policy to endorse or refer these vendors to the SSA members to subscribe to their services. If you or your company had been approached in this regards, you might wish to ask for their credentials or contact me at [ssa.ed@ssa.org.sg](mailto:ssa.ed@ssa.org.sg) or the SSA Secretariat at Tel: 6222 5238 or email [ssa.admin@ssa.org.sg](mailto:ssa.admin@ssa.org.sg) to report on this matter.

I appreciate your kind understanding and co-operation on this matter.

Regards

DANIEL TAN  
Executive Director
