16 March 2010

To : All SSA Members

### **ZHOUSHAN – SINGAPORE MARITIME INDUSTRY MATCHMAKING SYMPOSIUM**

The SSA has received an open invitation from Zhoushan Foreign Trade and Economic Cooperation Bureau to SSA members to attend a Zhoushan – Singapore Maritime Industry Matchmaking Symposium which will be held in Singapore on 23 March 2010.

As I understand it, their target audience is for about 60 participants.

The details of the event are as follows:

Date: Tuesday, 23 March 2010  
Time: 17:00 – 21:00  
Venue: Hibiscus room, 3<sup>rd</sup> Floor, Grand Hyatt Singapore.

The event will be followed by a dinner hosted by the Zhoushan Government at the 2<sup>nd</sup> Floor of Ballroom 2 of the same hotel.

SSA members who are keen to attend the Symposium, kindly register directly with Mr Li Fangjun at the following contacts:

Tel: +86 – 580 – 2280618  
Fax: +86-580-2280602  
Email: [zszs1111@hotmail.com](mailto:zszs1111@hotmail.com)

For further details on the programme for the Symposium, please refer to the attached document.

DANIEL TAN  
Executive Director

## **Invitation to Zhoushan-Singapore Maritime Industry**

### **Matchmaking Symposium**

Zhoushan is located at the confluence of southeast coast of China and Yangtze estuary which is the only one naval city consists of isles in China. It is in the middle of Chinese coastline and is the main gateway and gangway for Yangtze valley. Zhoushan is the important base of shipbuilding industry, bulk goods transferring, marine tourism and marine fishery in China. Zhoushan port had handled 193 million tons of cargo; received 17 million person-trips; 1.25 million tons of aquatic products as well as amount of 7 billion dollars of imports and exports. Shipbuilding and maritime industry is the biggest industry in Zhoushan, having about 400 ship repair and manufacturing enterprises including, Cosco Group, Japanese Tsuneishi Co.Ltd, Singapore IMC group, Singapore Pacific Group and ETA etc. Annual shipbuilding capacity of Zhoushan has reached 800 million DWT with 50 ship berths above 10,000 tone-class and 30 docks above 10,000 tone-class, including 6 docks above 300,000 tone-class, reaching 4 million DTW totally. Having ability to build, repair and refit all kinds of normal ships less than 0.3 million tons. In order to strengthen the exchanges and cooperation with other shipbuilding and maritime enterprises in the world, propagandize and promote great investment environment and location in Zhoushan, work together to have a fantastic future, we warmly welcome all related institutes and enterprises to attend this promotion conference.
