PRESENTATION FOR CONSULTATION OF PROPOSED NEW SHIP SALE FORM

Singapore has played a pivotal role as a regional and international maritime hub in the last decade, which marked the growing importance of Asia to the maritime industry. This shift coupled with changes in the international shipping practice means that the industry must adapt to ensure that it remains relevant in today's environment.

We are pleased to inform that the Centre for Maritime Studies (CMS) at the National University of Singapore (NUS) has researched and proposed a new Ship Sale Form. The presentation for consultation of the proposed new ship sale form is organised by the SSA and the Singapore Maritime Foundation (SMF). The details of the presentation are as follows:

Date : Tuesday, 27 April 2010
Time : 9.00 am to 12.00 pm
Venue : Banquet Suite (Level 10), M Hotel
81 Anson Road, Singapore 079908

Tan Sri Frank Tsao, Founder and Senior Chairman of the IMC Group, will be the guest-of-honour at this presentation.

This presentation is expected to be highly interactive and consultative in nature and is mainly aimed at an audience comprising senior management level participants who are directly involved in ship sale and purchase. The participants should preferably be **shipbrokers, shipping lawyers, shipowners, shipmanagers and shipping agents**. Registration for this presentation is **free**. To enable participation from many member companies, please note that priority will be given to the first two registrants per company. Additional registrants from the same company will be put on a waiting list and subject to availability of seats after the deadline.

Please complete the attached registration form and send it back to the SSA Secretariat via email at ssa.admin@ssa.org.sg or fax to **6222 5527** latest by **Tuesday, 13 April 2010**.
