### **CHANGES TO FOREIGN WORKERS LEVY FOR HARBOUR CRAFT WORKERS**

In February 2010, the Ministry of Manpower (MOM) issued a press release on the broad rationale to the changes to the Foreign Worker Levy. As part of those changes, port and maritime companies under the Harbour Craft Scheme will be affected by the increase in Foreign Worker levy rates with effect from 1 Jul 2010.

MPA has since issued **Port Marine Notice No. 77 of 2010** dated **29 June 2010** detailing the revised Foreign Worker Levy rates for harbour craft workers.

The Port Marine Notice can be found on the MPA website at:

Companies with any queries are kindly requested to either complete the feedback form available on the MOM website at <http://secure.mom.gov.sg/feedback/Pages/default.aspx> or to email your feedback to MPA's officer, Mr. Chiang Joo Jo at [Joo\\_Jo\\_Chiang@mpa.gov.sg](mailto:Joo_Jo_Chiang@mpa.gov.sg).
