

Mr Tan Teow Guan

Mr. Tan is a Bachelor of Science (Hons) graduate in Chemistry from the Nanyang University.

He has worked in the Port of Singapore Authority and Maritime and Port Authority of Singapore for more than 30 years and headed the Inspectorate of Dangerous Goods and Hazardous Cargo Section of PSA and MPA respectively. While working in PSA and MPA, he was involved in the development of Dangerous Goods Information System, Chemical Data Bank and Dangerous Goods Storage Yards.

Mr. Tan was also responsible for keeping the Dangerous Goods Regulations up-to-date. He has since set up his own company "Dangerous Goods Training & Consultancy" and provides training & consultancy services to the Shipping Community and chemical industry.
