SSA 33rd ANNIVERSARY GALA DINNER (M/NM)

The Association holds an annual gala dinner, which is usually over-subscribed as it is 'The Event' of the year for the shipping and maritime industry, attracting both SSA members and non-members. Our average attendance is 2,000 guests.

Guests include senior officials from relevant maritime government agencies, and dignitaries and ambassadors from the major

shipping & maritime nations (Denmark, Norway, Netherlands, Japan, etc). In addition, we do have international foreign guests from ICS, BIMCO, Intertanko, and other heads of shipping associations from ASIA and South East Asia regions in attendance.

The SSA Gala Dinner event presents an excellent opportunity for marketing exposure of your organisation, with your organisation's awareness and presence reflected in our event backdrop, welcome arch, dinner menus, our various social media platforms and our Quarterly newsletter – WAVES. We welcome you to be one of the sponsors for this event and for the Singapore Shipping Association.
