Norway-Singapore Maritime Digitalization and Transformation Seminar

8.15am-12.30pm, Thursday, 31st January 2019

PARKROYAL on Beach Road, Grand Ballroom

Guest-of-Honour

Ambassador of Norway to Singapore – Her Excellency Anita Nergaard
Norwegian Maritime Authority, Director General – Mr Olav Akselsen
Maritime and Port Authority of Singapore, Chief Executive – Ms Quah Ley Hoon

The maritime industry is looking to boost their profitability, reliability and explore new business models through digitalization. There are new growth opportunities for maritime and related transport and supply chain infrastructure by adopting Industry 4.0 concepts operating on advance digital platforms. Keeping pace with these enablers to help navigate disruptive changes is key to ensure a successful transformational journey.

Norway-Singapore Digitalisation and Transformation Seminar 2019 is jointly presented by Innovation Norway, Royal Norwegian Embassy in Singapore, Singapore Maritime Institute and the Maritime and Port Authority of Singapore to bring together government, business and technology leaders to explore the potential for collaborative action to address the impact of disruptive technologies confronting the maritime ecosystem.

Register your interest

If you wish to participate, we welcome you to register your interest now.
In view of limited capacity at the event venue, registration numbers for each organisation will be capped.
A formal invitation to RSVP will only be sent to selected participants.
