**SURVEY ON BALLAST WATER MANAGEMENT SYSTEM INSTALLATION
AND OPERATION STATUS ON BOARD SHIPS**

We would like to invite all our Members to share your experience relating to the Ballast Water Management Systems (BWMS) installation and operation status on board ships.

You may submit multiple types of BWTS surveys based on your user experience. The survey should take no longer than 8 minutes to complete and all information provided will be treated in strict confidence. The results will be used to develop a viewpoint regarding the existing installation and operation status of BWMS on board ships.

Click [here](#) to access the survey now. You are encouraged to share the survey link with your member companies.

Submission Deadline: 12 March 2019

Should you have any questions, kindly contact Haniza at Haniza@ssa.org.sg or Siti at Siti@ssa.org.sg.

Thank you and best regards,

Haniza Mustaffa
