**RE: MARITIME SINGAPORE LOGO & USAGE GUIDE**

Dear SSA Members,

The Maritime and Port Authority of Singapore (MPA) launched the Maritime Singapore logo with the idea of 'unifying' and 'representing' the entire maritime industry in Singapore. As a form of support for our maritime industry, you may wish to include the Maritime Singapore Logo in your company collaterals.

The logo can be downloaded at this [link](#), together with the [usage guide](#).

**MARITIME**  
SINGAPORE

If you have additional questions about the visual identity and its application in design, don't hesitate to contact [Alex\\_TAN@mpa.gov.sg](mailto:Alex_TAN@mpa.gov.sg).
