WLTD in Maritime Business Management

- The course seeks to equip trainees with skills and knowledge to work within a ship agency environment, coordinate for efficient vessel, port and cargo operations and oversee formalities and declarations for smooth entry and departure of vessels.
- Delivered in partnership with the employers, this apprenticeship-based course aims to retain ITE *Nitec* and *Higher Nitec* graduates in their course of studies. It also offers the in-service workers a chance to deepen their skills in the field of Maritime Business Management.
- Key Features of ITE Work-Learn Technical Diploma in Maritime Business Management:
 - 2.5 years training duration
 - Agreement signed between trainee, employer and ITE
 - Trainees are full-time employees of company
 - Theory & practical lessons conducted by ITE
 - On-the-Job Training conducted by employer based on agreed List of Skills
 - Nationally-recognised Technical Diploma from ITE
 - Funding Support from SkillsFuture Singapore
