Hear and gather insights from leading professionals of the shipping industry

Dear Members,

Today, one of the most pressing issues facing the global shipping industry is the coming implementation of the International Maritime Organisation's 0.5% global sulphur limits on 1 January 2020. Cleaner fuels such as LNG has gained traction with the shipping industry over the last 12 months. Other options such as LPG, methanol and biofuels have also emerged as potential options

Hear first-hand from these leading professionals in the industry:

Abdes Karimi
Manager Ocean Freight
Operations &
Sustainability of BHP

Nicolas Sartini
Chief Executive Officer,
APL

Romi Kaushal
Managing Director,
Keppel SMIT

Tahir Faruqui

Director, CMA CGM

Peter Keller
Chairman, SEA\LNG
and Executive Vice
President, TOTE

Koh Eng Kiong
Asst Centre Director,
Maritime Energy &
Sustainable
Development, NTU

Disruptive technologies such as blockchain and fintech look to change the traditional business landscape of the bunkering industry. This year's SIBCON will see a discussion on digitalisation of the bunkering industry as industry players continue to keep abreast and be ahead of these developments.

Hear digitalisation trends with:

Meeta Yadav, Chief Digital Officer, Block Chain Technologies, IBM

Choong Zhen Mao, Executive Director, Equatorial Marine Fuels

Deanna MacDonald, Co-Founder and CEO, BLOC

Alok Sharma, Head of Commercial, Inatech

Martin Brodersen, Head of Bunker, TORM
