The CSO Alliance and Maritime Cyber Alliances provide '*Security through Community*' that enables the maritime security community to submit and collaborate on all aspects of criminality which will impact the maritime industry. It allows the delivery of a cost effective, threat-informed, risk-based approach to maritime security. Your feedback will help shape the new PFSO Alliance, ensuring a more effective

security dialogue with Ports.

Kindly RSV P to Mr Mark Long at rsvp@csoalliance.com if you are keen to attend the workshop. Or contact him at + 44 (0) 1296 325700 /email mark@csoalliance.com
