INVITATION TO A NETWORKING SEMINAR WITH GERMAN GOVERNMENT DELEGATION TO SINGAPORE – 3 OCTOBER 2016

Dear SSA Members,

We would like to cordially invite you to a networking seminar to meet with German companies in the **Shipbuilding & Offshore Marine Sector**.

The German Ministry of Economics and Technology, and the German Shipbuilding and Marine Industries Association, have organised an incoming trade mission to Singapore. The purpose of this mission is to help German companies develop a better understanding of the Singapore marine shipbuilding and offshore marine sector, and to explore opportunities for collaboration with Singapore based companies in this sector. The Trade Mission will take place from October 03 to October 07, 2016.

There will be 7 companies in this delegation, and the delegation will be led by **Mr. HAUKE VIKTOR SCHLEGEL**, the Managing Director of the German Shipbuilding and Marine Industries Association. This association is part of the VDMA, one of the largest industrial associations in Europe and which represents over 3,100 member companies in the German engineering industry. There will also be one representative from the German Ministry.

As part of the programme, there will be a networking seminar. The details of the seminar is as shown below:
